

CYBERSECURITY DISCUSSION

CENTENNIAL GLEN HOA

ANNUAL HOA MEETING
NOVEMBER 2019

COLORADO HOUSE BILL 18-1128

New Data Laws

How will the new Colorado data destruction law affect your business?

New Colorado Data Privacy Law

- Requires organizations to protect client / member Personally Identifiable Information (PII)
 - e.g. drivers license number, credit card account, checking account, ssn...
 - In addition extends to “non-traditional PII in combination with other information
- Requires that a PII Breach be reported within 30 days of discovery

COLORADO HOUSE BILL 18-1128

The Good News for CG HOA

- The CG HOA has limited visibility to HOA member PII
- The majority of the PII handled by the CG HOA is not retained

COLORADO HOUSE BILL 18-1128

CG HOA HB 18-1128 Initiatives

- New Policy to addresses HB 18-1128
- HOA Board & Arch. Committee Practices
 - PII Stewardship
 - Cybersecurity best practices
- Community Directory???

CG COMMUNITY DIRECTORY

Cybersecurity Considerations

- HB 18-1128 states that any personal information that is generally available to the public is excluded
- Information contained in the directory includes:
 - Homeowner names
 - Street addresses, Lot number
 - Email addresses, Telephone numbers
 - Names of children & pets

Should we limit the information contained in the directory or eliminate the directory?

THANK YOU
